

Register leftover from wagon (app)

Step 1

Log into the app by using your personal credentials for login.

Step 2

In the main menu in the app press “Leftover” and choose a feed section.

Step 3

Now you load the leftovers into the wagon. A weight will show in the app, and you can press “Save” once done loading.

In the upper right corner, there is a small switch.

Turn over the switch if you want to enter the weight directly from your weight display.
Remember to press “Save”.
