

How to Sign Up for Feedlync on desktop?

1. Open up your browser and type in **app.feedlync.com**.
Then select the “Sign up now” link.

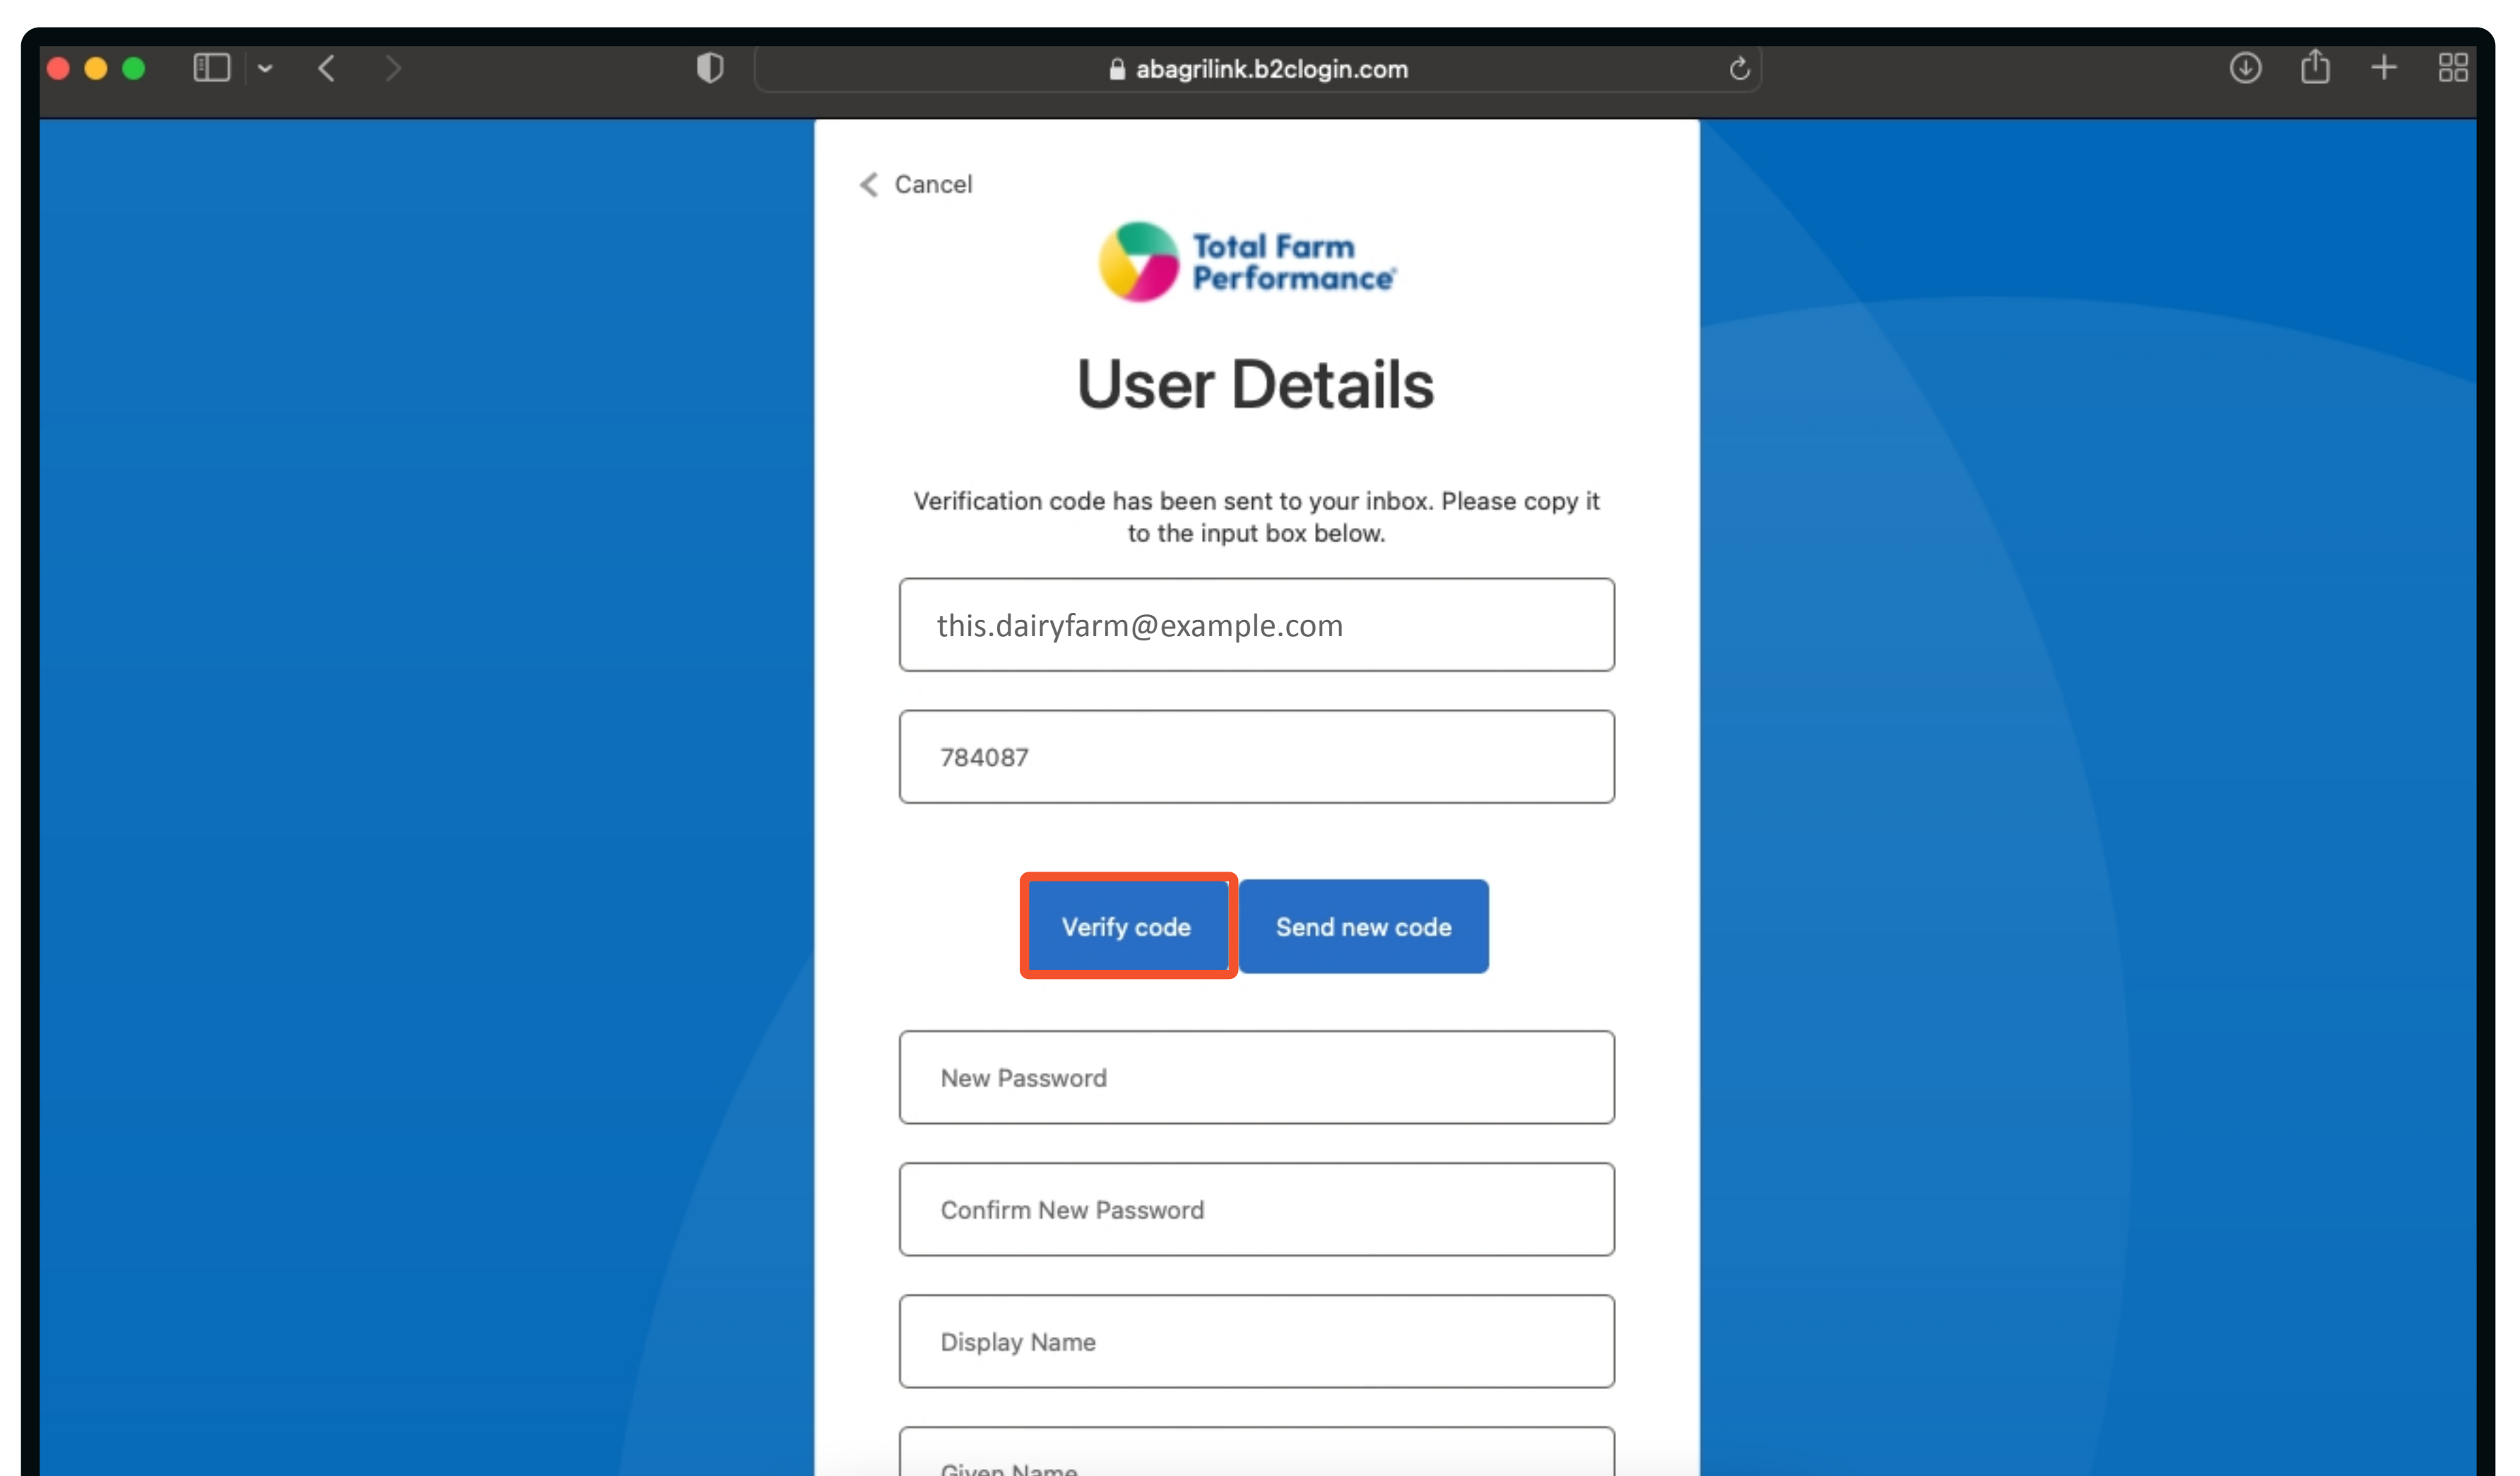

The email address you provide in the next step, will be also your username for the application.
Please try to choose a business email instead of one belonging to an employee.
Changing the email at a later stage can cause significant loss of data.

2. You will be requested to verify your email address.
Please fill out the field “Email address” and press “Send verification code”.
The rest of the fields are not required for now.

A six digit long number will be sent to the given email address from Microsoft on behalf of AB Agri.
If you can not find it in your Inbox, please check the Spam folder.

3. Paste in the numbers and click “Verify code”.
